TO: High School Counselors in the 148th District

FROM: Rep. David Day

Dear High School Counselors:

I know you are busy getting the new school year off and running. I hope that this year is a great one for your district and all of your students. I would like to offer a form of recognition to your students that excel in their work if I may.

As the end of each semester, we would like to recognize those students who stand out in their academics. I would like to offer certificates of recognition from the Missouri House of Representatives to those students who have earned a place on the "A Honor Roll" for each semester. We will mail these certificates to your high school and you may present them to the students as you wish.

If your school would like to participate, simply e-mail the names of the students on your "A Honor Roll" in either Excel or Word format to my Legislative Assistant, Angie Thessen, at angie.thessen@house.mo.gov. Please allow about ten days for the certificates to be created, printed, and sent to you. If you do not have Excel or Word, please feel free to call Angie and we will send you other forms that will work.

If you have any questions, please feel free to contact my office at (573) 751-1446 and we will be happy to assist you.

Best Regards,
