**MISSOURI  
HOUSE OF REPRESENTATIVES**

Dear Middle School Counselor:

Please find enclosed information regarding the *Glory of Missouri Awards*, made possible by the Missouri House of Representatives. I hope you and your faculty will consider participating and honoring those students that help make our schools and communities great.

Each school is free to decide its own selection process. Some may want a committee to pick the students; others may want a “ballot” system with educators voting or even the students, or you may want to do something totally different. Those choices are entirely up to each individual school. These awards are intended for any student grades 6 – 8, with a total of 14 awards being awarded to each Middle School in the 148<sup>th</sup> District. We ask that the names be submitted to my office no later than 20 days before you want to do the presentations. Ballots may be faxed, mailed, or e-mailed to my Capitol office. Please be sure and include the name of your school and your contact information, along with the date of the awards ceremony. When possible, I enjoy being on hand to present the awards but if scheduling prevents that, they will be mailed to you in time for the ceremony.

These awards are very nice House Resolutions that will be signed by the Speaker of the House along with myself. Please feel free to contact myself or my Legislative Assistant, Angie with any questions you might have.

Best regards,
